SLALOM COURSES

A regulation length slalom course is normally over eight hundred (800) feet long and because it restricts the public use of such a large area, the following rules are to be followed:

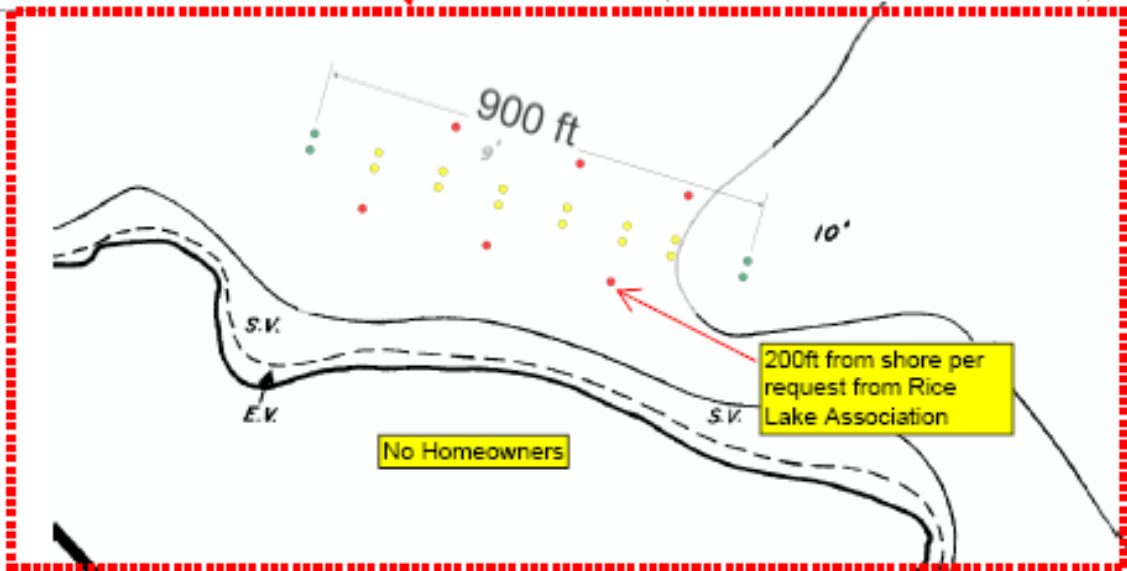

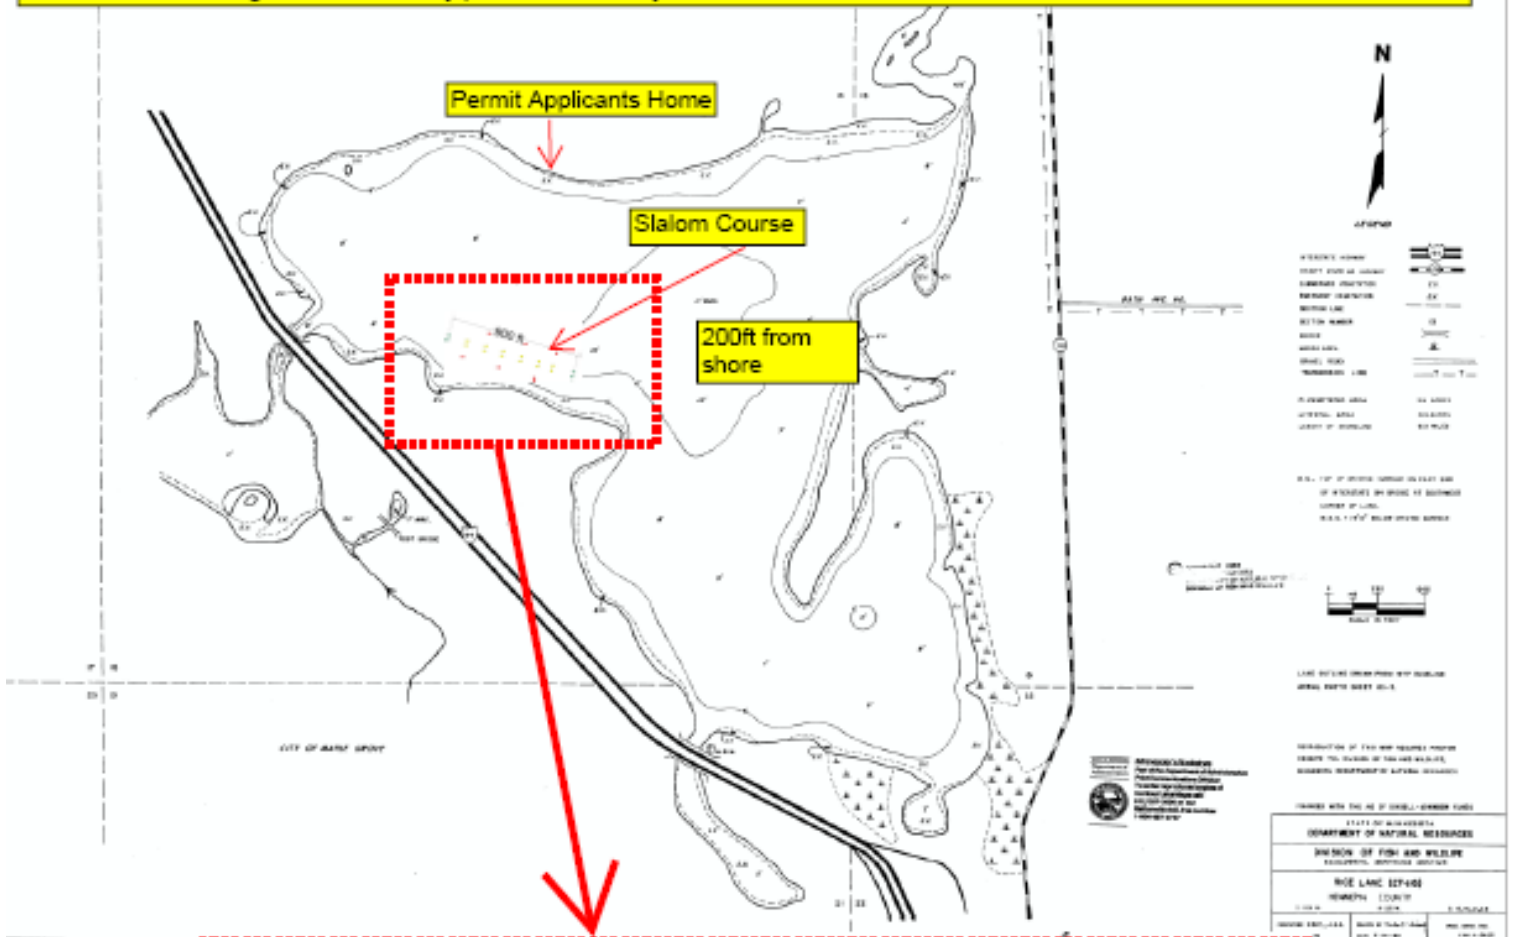

1. Property owners the course directly affects must give written permission.
2. Surface floats must be submerged or removed when the course is not in use.
3. The County permit number must be displayed on the end floats.
4. The course cannot exceed 900 feet in length.
5. The course cannot be a navigational, operational or environmental hazard.
6. The permit will be renewed annually and the previous year's complaints will be reviewed.
7. The course and boat path can be no closer than one hundred (100) feet from shore.
8. A detailed to scale map of course, water depth and boat path must accompany application.

I, , hereby acknowledge that my temporary structure meets the above regulations.

Dated: 3-2-10

**City of Maple Grove
12800 Arbor Lakes Parkway
Maple Grove, Minnesota 55369**

Slalom Course would not be located in front of any homeowners property. The slalom course would be 200 ft from the shore per a request from the Rice Lake Association. The slalom course will have contact information on the end floats for residents to call if they are interested in using the course or any problems that may arise.
